

# Financial Management Track Sponsored by FMS Solutions at The NGA Show

San Diego Convention Center, San Diego, CA  
February 24, 2018

Explore the financial topics that matter most to independent retailers. In specialized sessions, industry experts will delve into key topics.

At the FMS Financial Symposium at the NGA Show, participants will learn about:

## **State of the Industry** (Economics)

How did the industry perform this year and how do you stack up to other independent grocers? Latest operational and financial industry statistics will be revealed during the session. Find out what's driving consolidation and bankruptcy activity in the grocery industry.

## **Industry M&A Activity** (Finance)

This year has been very active for mergers and acquisitions in the industry. What factors are the primary drivers of dealmaking in the composites industry today? We'll look at what makes a company a target, as well as, why others are in a position to buy.

## **Washington Review – How Will Government Activities Impact Your Bottom Line?** (Regulatory Ethics)

It's been an interesting year in Washington and 2019 looks to be just as colorful. NGA is actively tracking key legislations and compliance issues such as, H.R. 1: Tax Cuts and Jobs Act, and H.R. 2017: Common Sense Nutrition Disclosure Act of 2015. Hear how new and ongoing regulations and standards will impact the financial health of your company.
